Demands & Needs

This policy meets the demands and needs of professional freelance workers operating a UK registered single person Limited Liability Company or as a sole trader wishing to protect against liability arising out of their business activities. It caters for a wide range of insurable risks which such a company might face. You have not been provided with a personal recommendation on this insurance product.

Before purchasing the policy you should ensure you understand the cover provided and the restrictions and exclusions applicable.

Period of Cover

The policy runs for a period of 12 months from inception. Please note that each section of the policy has its own basis of cover and the detail which follows confirms this for each section.

Right of Cancellation

Both you and the Insurer have rights of cancellation.

If you wish to cancel the policy you must provide 30 days written notice to us at Kingsbridge Professional Solutions, 9 Miller Court, Tewkesbury, Gloucestershire, GL20 8DN. Please note however that the annual premium is a minimum and deposit amount and no return premium will be allowed, in addition any balance due in instalments must be settled.

If the Insurer wishes to cancel the policy then they must give you 30 days written notice. In the event of the Insurer cancelling you will be entitled to a return of premium proportionate to the remaining policy period.

Claims Notification

Should you receive notification of a claim or feel that you may have a claim against the policy then you should contact Kingsbridge Professional Solutions immediately on 0845 643 0061.

The basis of cover for each section is different, and to ensure you are entitled to indemnity you must not delay notification. Failure to notify a possible claim could invalidate your entitlement to indemnity and leave you exposed to financial loss.

You should not make any admission of liability at any time as this could prejudice the Insurers position.
